The Annual Staff of
PRESBYTERIAN JUNIOR COLLEGE
presents

Here's to the Land of the Long Leaf Pine,
The Summer Land where the sun doth shine,
Where the weak grow strong and the strong grow great;
Here's to "Down Home," the Old North State!

—Leonora Montiero Martin

Bagpipe 1958

Prologue

As one walks about the campus at Presbyterian Junior College, he soon becomes aware of the beautiful pine trees. Some are tall and stately, some are short and stubby and grow in groves, some cluster together in twos and threes. They help to remind us that great men down through the ages have turned to nature as a source of inspiration and meditation. Thus, the seeds of our learning have taken deep root in the comfortable natural setting of our college. Not only does a true liberal education imply getting close to nature, but getting close to nature implies getting closer to God. We feel that the most important part of our education at Presbyterian Junior College is its Christian character, that the spirit as well as the mind must be imbued with the ultimate principles of reality. We have shared as students a mutual growing up—in mind, in body, and in spirit. The editors and staff of the 1958 *Bagpipe* hope that our annual will be a lasting remembrance of this once-in-a-lifetime college experience. We hope that the pictures and vignettes of pine trees found throughout the annual will serve as a symbol of this experience.

W E H O N O R

with pride and deep sincerity

MRS. FLORENCE D. HELLEKSON

whose personal warmth, exemplary Christian character, sense of tact and charm—the true feminine touch!—have been inspirations to all of us. Devoted to both the practical and the ideal in her teaching, she has given us a strong foundation upon which to build our careers. Just as faithfully, she has made possible the "good times" that are an integral part of every college education. We are fondly grateful for both the great and the small, remembering (as it says in the song) that "little things mean a lot."

MRS. FLORENCE TELLESON

GREETINGS

It was the habit of an old schoolmaster to remove his hat at the foot of the steps before entering the classroom building. "Why do you take off your hat in front of the building?" he was asked by some students.

"Out of respect for what you young men will become," he replied. "You are to take places of responsibility and leadership in our nation. I take off my hat to the school in which you are growing into your future."

Each one of you, the students of the year 1957-58, counts greatly. God's blessing and guidance go with you in all the way ahead.

SKETBALL ROUNDUP

Intramural basketball has finally gotten under way with teams composed of two each from the top and bottom floors of the dorm.

The clash with the Bears was a ringer for the Wildcat game. The Bears beat the Lions with 50 to 22. Cayce led the Tigers with 13 points followed by Mathis with 9. The Lions were led by Schuler with 6 points and Hollifield with 5.

In last Thursday night's games, Bobby Long's Cubs tangled with the Tigers, while the Wildcats took on the Lions. Again the Wildcats and Tigers came out on top. The Wildcats took the Lions 70-55 while the Tigers ripped the Cubs in a close one 73-67. Leading scorers for the night were Bill Sledge of the Wildcats with 27 points; Hollifield of the Lions with 14; Cayce of the Tigers with 26, and Long for the Cubs with 29.

In the battle of the unbeaten Tuesday night the Wildcats edged the Tigers 46-40 to take over sole possession of first place. It was a hard fought game all the way, with both teams playing heads up ball. The score was tied several times during the game, and only in the last two minutes could the Wildcats gain the edge. Hunter led the winners with 13 points while Mathis led the losers with 21.

In the second game, the Bears rolled over the Cubs in a rough, but close fought ball game 64-56 to take over third place. Leading scorers were Cardero for the winners, with 26 points and Long with 20 for the losers.

In Thursday night games the Lions will play the Cubs and the Tigers will take on the Bears.

THE STANDINGS

	W	L
Wildcats	5	0
Tigers	2	1
Bears	1	1
Cubs	0	2
Lions	0	2

The game between the two teams was a close one, with the Bears winning 64-56. The game was a rough, but close fought ball game.

The PJC Scotties got the baseball season off to a successful start last week by defeating Pfeiffer College nine in the season opener by a score of one to nothing.

Phil Duggans started on the mound for the Scotties and

MR. EDWARD BRAILSFORD
Business Manager

hits the rest of the way.

The game was a pitching duel all the way with the Scotties getting their lone tally off Bosquet, the Pfeiffer hurler in the third. Thompson started the inning off with a double to left with two away. Mims the next batter walked, and Thompson raced home on Graham's double to left center.

In the field, the Scotties made only one error, that being in the first inning.

The teams next game was against Lonsburg, their first conference opponent. The Scotties went down to a hard 5-4 defeat.

Duggans started the game for the Scotties, but was from the box in the frame when the Lonsburg exploded for three hits and three runs. Then came in with a return to the side. No runs were scored until then when Lonsburg broke two more runs on two the Scotties found it on the short end of a.

In the bottom of the PJC finally broke into a column, when Berry reached first on an error third when Altman, Lonsburg pitcher walked two batters. After struck out Berry when Mims was walked bases loaded.

Although the Scotties the bases four times during the game twice with no they could not Lindt punch until the final when they found it and scored three runs. Coggins, the first walked and advanced on Martin's single. Berry out and Berry fled on left fielder. Then with Madsen came through double to center, that in Coggins and Martin did home. Madsen came 5-4 with a second. However, Coggins the tally and the something out to short.

In their last outing against Pembroke the Scotties scored 12 runs from the 1 behind the eight hit patrol Connie Baker and Phil De. The Scotties only collected hits off the Pembroke pitcher but not them when they counted. The Scotties scored three runs in the third and added two more in the sixth to account for their scoring. As for Pembroke, they got to Baker for one run in the second, and added another in the eighth off Duggans.

Its a little early in the season to tell just what the teams chances of winning the conference are. However, the Scotties

has looked good. However, the Scotties have proven to be pretty weak at the plate, but lets hope that this is just a temporary weakness. If it is and the boys start pounding the old horse like they should, the Scotties will come through with a successful season.
